Memorandum

To: Keith Hammond -Town Supervisor

Town Board Members

From: William Sansone Water Operator

Date: October 5th,2023

## Overview of the month of September 2023

-We tested for coliform at Town Hall which has to be done 1 time every month. "Test results are negative "

-We performed 9 dig safes for the town this month.

- We did our quarterly readings for water billing this month.

-We have 52 antennas to change out this quarter.

- We did 10 lead and copper test in residences home that the state mandates us to perform every 3 years. Waiting on results.

- We did our Disinfection and Byproducts sample that is due every quarter. Waiting on results from lab.

- We are receiving new permits to hook up to the water system.

-The main pump at the pump house died. We are getting quotes and will install new pump once received.

The Water department will continue to be represented in polite, efficient and professional manner for all residents of the town.
